

**Preparing for Fremont Unified School District
2nd Grade Writing Assessment and Statewide STAR Testing**
(Testing is usually held in late spring)

You can help your child prepare for the testing by doing the following:

- Make sure your child is well rested
- Your child should have a nutritious breakfast
- You may also want to provide your child with a healthy snack for snack recess
- Make sure your child arrives to school on time each morning; it is critical that your child does not miss school during the testing period, unless your child is ill.
- Please be positive and let your child know that you are proud of all he/she has accomplished and learned.
- Encourage your child to do their personal best.

Sincerely,

James Leitch 2nd Grade Teachers
