

TRAFFIC, VEHICLE & SAFETY CONCERNS AT LEITCH ELEMENTARY

Dear Parent, Guardian, & Day Care Providers:

We have been witnessing some illegal and unsafe vehicle issues at Leitch and are deeply concerned. We are requesting that you comply with the following to keep our children safe:

1. You are required by law to have all passengers in seat belts while riding in a vehicle. Our staff and Valet Volunteers are reporting incidents of students arriving and leaving in vehicles without appropriate seat belt security. If your child is transported to or from school with someone other than yourself, please confirm with the driver that seatbelts are being utilized.
2. Please do not leave children alone in cars. We have experienced children unattended in cars without an adult nearby. This is dangerous and can lead to serious safety issues.
3. Please do not park in the parking lot of the town homes across the street from our school. We have once again received complaints about Leitch parents parking in their spaces and the confrontations that have occurred. They have notified us that vehicle licence numbers will be taken and the Fremont Police Dept. will be notified. Remember that you may park in the Community Church or the Community Center Parking Lot close to our school (they have given us permission) when parking is unavailable in front of the school.

We appreciate your patience and compliance with these safety issues and know that you will agree with our efforts to abide by the laws that keep our students safe.

Sincerely,

Debbie Amundson
Principal
